Newsletter #02/22

Namaste and warm greetings from DAV College. Parents and guardians are humbly requested to take note of the following important issues pertaining to the education of your children at DAV College. After reading, please sign and return the reply slip attached.

1.0 MID-YEAR EXAMINATION

The Mid Year Examination will be conducted in Week 4 of Term 2. Those students who do not perform well will be counselled by the Admin team and encouraged to do better for the Annual Examination. Students who will be absent will not be able to re-sit the papers. For any genuine cases, students with their parents/guardians need to see the Principal. Parents and guardians are to take note that all exams are mandatory. This exam will gauge the performance on the coverage done for Term 1.

2.0 HOME STUDY

Parents/Guardians are to supervise and closely monitor their children's home study and revision activities. They must ensure that adequate amount of time is spent on studies to enhance their performance in the coming exam. A home study timetable had been attached with the previous newsletter.

3.0 HOLIDAY ASSIGNMENTS/REVISION QUESTIONS

Holiday Assignments and revision questions will be given by the subject teachers before the end of the term. These holiday assignments/revision questions are to be done individually by the students as these are sample questions of concepts that would be examinable in the Mid-Year Examination.

4.0 LATE COMERS

It has been noted by the Assistant Principal that a few students are habitually late to school. Students are to report to school before 8.00am. If the trend continues, parents will be requested to come and see the Administrators regarding the matter.

5.0 SUVA ZONE 1 MEET

The Suva Zone 1 Meet was held on 17th June, 2022. The school won one silver medal and one bronze medal to qualify for the Coke Games in August.

6.0 COKE GAMES

1 student has qualified for the Coca Cola Games which will be held in August at the ANZ Stadium. The student is being trained by the PEMAC department teachers in preparation for the Coke Games.

7.0 TRAINING FOR SCHOOL SOCCER

The Soccer training has started for this season. The training takes place from 3.30pm – 4.30pm every afternoon from Monday to Friday for U15, 17 and 19. Parents and Guardians are requested to pick up their child/ward from the school premises after the trainings.

The School Netball girls will also participate in the Netball tournaments held this year.

8.0 IDADAIT WEEK

The School is celebrating IDADAIT week from 27th June to 1st July 2022. The theme for the IDADAIT Week is Understanding and Sharing Facts on Drugs: Save Lives. Various activities such as writing poetries, poster competitions, classrooms displays and role plays are taking place. On Friday, two hours programme will be conducted. Parents and Guardians are thanked for their help in preparing students to take part in the activities for the week.

9.0 CONCLUSION

The College is thankful to all the parents and guardians for their co-operation and support towards the college. We look forward to the same continued support throughout Term 2.
