Newsletter #2 Term 2 2023

Namaste and warm greetings from our institute, DAV College. This is the second (2nd) newsletter for Term 2 of our 2023 academic year and sincerely requesting all parents and guardians to note down the important issues concerning the education of your child/ward at DAV College.

1. Mid-Year Examination

Mid-Year Examination has concluded. It commenced from Monday Week 6 (26/06/23) until Friday (30/06/23). All papers were worth 100% of marks and all parents and guardians are to take note that all exams are mandatory.

2. PTI for Mid-Year Examination

The PTI for the Mid-Year Examination will be held on Friday (14/07/23). Parents/Guardians are requested to take out their time to attend the PTI for Mid-Year Examination. This would be an opportune time for the parents and teachers to discuss ways to improve your child's/ward's academic performance for better results in the next exam. Academic counselling will be done by the administrators for those students who did not perform to expectations in the Mid-Year Examination. Please note that attendance is compulsory and students to come along with their parents and rerun with them in school uniform.

3. IDADAIT Week Celebration

The IDADAIT week was successfully celebrated last week by the staff and students. The theme for this year was "Understanding and Sharing Facts on Drugs and Other Issues – Saves Lives". Students actively participated in various activities like poster making, oratory, debates, songs, tree planting and fruit sharing. Parents and guardians are requested to monitor their child/ward from peer groups involved in illicit activities.

4. Sports

Various sporting activities are taking place this term and the school is taking part in these activities. Some of the activities are as follows:

(i) Soccer

The soccer session has started. The Under 17 soccer team has retained the Under 17 trophy and has qualified for the Southern Zone Competition. The Under 15 soccer team will be playing this Saturday for the Suva Secondary Schools Soccer Championship followed by the Under 19 the following Saturday.

(ii) Netball

The netball games are ongoing and the teams are taking part in the weekly games organized by the Suva Secondary School Netball Association.

5. Test and Enterprising and Department Week

The Test and Enterprising and Department week will be held next week from 17th July to 21st July, 2023. Each department will hold activities for students to market and promote the subjects they officer. Students will be actively involved in these activities designed for them.

6. Syllabus Coverage

The remaining 6 weeks of this term will be utilized for syllabus coverage. Hence, parents are encouraged to monitor their child's attendance, punctuality and completion of work. Parents are urged to supervise their child/ward's learning at home and ensure that they are strictly following their home study timetable.

7. Conclusion

The college is thankful to all parents and guardians for their support and co-operation towards the school. We look forward to the continued support throughout the term and the academic year of 2023.
